A Summit of Women's Funding Network

Join our Marketplace!

Women's Funding Network (WFN) is an international membership association of funds and foundations that support girl-led and women-led projects and organizations. Each year, WFN holds an international conference that attracts over 400 women activists. The annual conference includes a Marketplace where women-owned businesses can sell their fair-trade, handmade and sustainable products.

Join us as a marketplace vendor for **Women, Economics & Peace: A Summit of Women's Funding Network** at the Millenium Biltmore in Los Angeles, CA. The Marketplace will be held on May 3 - 4, 2012. Each booth incurs a registration fee of \$50.
