Women's Funding Network
Measuring Social Change Investments
Achievement Report

1. Approximately what percentage of your resources do you invest in each of following areas? Briefly describe what you actually do in any applicable area in the four categories, 1) **Listening** – open communication with clients, the community, and funders about issues and needs, 2) **Collaboration/Empowerment** – creating the relationships and partnerships that build on community assets, 3) **Action** – what your work is about, 4) **Social Change Outcomes** – how your efforts have created or contributed to specific social change.

Percentage of
 Organization's
