The Women’s Fund invited Neenah, Menasha and St. Mary’s high schools to refer girls who could help us better understand the issues impacting high school-age girls. Thirteen girls met on March 13 and April 17 to discuss issues impacting them and their peers, learn about and evaluate resources in the community, and allocate $11,500 in grant funding to the nonprofit program(s) which they felt best meet the needs of girls in the Fox Valley.
